Kathleen McGee: Hello and welcome to Regulatory Matters, a podcast devoted to covering the ever-changing regulatory landscape affecting business today.

Your hosts are a group of women partners from the law firm of Lowenstein Sandler, who collectively cover much of that regulatory landscape. Whether it's tech regulations, foreign trade, antitrust, investor protection, consumer protection, or a federal criminal prosecution, we've got it covered. And because we think diversity of opinion matters, we'll be hosting a really great roster of diverse guests from across business, policy and law enforcement. We're so glad you've decided to listen.
