

Technology & Media

We understand the business, the science, and the legal issues shaping this burgeoning sector. With deep domain experience in technology and media, we leverage the strength of a full-service law firm to provide effective solutions for the full range of sector participants, from established brands like Google and Red Hat to more than 500 startups annually. From company formations to venture capital transactions, complex intellectual property matters, and successful exits (both M&A and IPOs), our passion is helping innovators achieve their goals.

EXPERIENCE
