

Beverly J. Lamberson

Associate

Palo Alto

T: +1 650.433.5800 | F: +1 650.433.5621

blamberson@lowenstein.com

Beverly brings to the firm's Patent Counseling & Prosecution group a diverse background in both litigation and technology.

She has experience in both the public and private sector, having worked with the Department of Justice, Civil Admiralty Torts Division, in San Francisco, CA, in addition to several law firms. She has volunteered extensively with the Legal Aid Society of San Mateo County and the San Mateo County Housing Clinics.

Prior to law school, Beverly held various positions in the technology field, including as a database administrator, software developer, IT consultant, and project analyst in the United States and Canada.
