

## **I Foreign Corrupt Practices Act (FCPA) and Anti-Corruption**

Our team has in-depth experience on a wide range of issues relating to compliance with anti-bribery and anti-corruption laws around the world, including, among others, the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act, and China's anti-corruption laws. We take a practical approach to find pragmatic solutions for our clients' most complex and nuanced regulatory compliance questions. We provide a full suite of anti-corruption services and compliance advice, including: compliance program design, implementation, and enhancement; training programs; risk assessments and controls testing; counter-party and transactional due diligence; compliance audits; internal investigations; corporate monitors; and defense against enforcement actions.
